

# Advances In Robot Kinematics 2026

The 20<sup>th</sup> International Symposium on Advances in Robot Kinematics (ARK 2026) will take place in Barcelona, Spain, June 28-July 2, 2026.

## Topics:

Robot kinematics analysis and synthesis  
Robot kinematics modeling and simulation  
Singularity analysis  
Computational geometry in robot kinematics  
Motion planning of robots  
Theoretical and computational kinematics  
Kinematic design and control of robots  
Kinematics in biochemistry  
Humanoid robots  
Reconfigurable robots  
Kinematics of parallel and cable robots  
Redundant, soft and continuum robots  
Medical and wearable robots  
Overconstrained mechanisms  
Compliant mechanisms

## IMPORTANT DATES

Full paper submission:  
**January 18, 2026**  
Acceptance notification:  
**February 28, 2026**  
Final paper submission:  
**March 8, 2026**  
Early-bird registration:  
**March 24, 2026**

	Early bird registration (until 03/24/2026)	Standard registration
